Sprint 3 Change Log

Andres Romero, Randal Guzman, Esteban Navar, Carlos Adrian Yanez Duron

#	*What Changed*	*Why*	*Downstream Affected*
1	Added fuel (gas) logging to the app scope	Interview evidence backs it and adding this makes our logging feature more complete.	Charter scope boundary, user stories, story points and hours.
2	Competitor set updated: myHyundai, Toyota app and myNissan	Needed interviews from users of these apps.	Market Research
